Type	Community School
Address	Falcon Junior School, Falcon Road West, Norwich, Norfolk NR7 8NT
Age Range	7 - 11 years
Capacity	480 pupils; Numbers on roll 1 June 2023 = 434
Ofsted	Last Ofsted; November 2022 Rating; Good

3. What changes are proposed?

It is proposed to establish an 8 place additional intervention base for Key Stage 2 pupils at Falcon Junior School, from 1 September 2024.

We appreciate that children and young people with complex needs can struggle to engage with learning and cope in a classroom without additional strategies and interventions. A Specialist Resource Base (SRB) can support children to overcome barriers to learn strategies to enable them to successfully participate in a mainstream school setting, in which they can flourish.

This proposal is part of Norfolk County Council's Local First Inclusion which is the county council's six-year special educational needs and/or disabilities (SEND) improvement programme. We are committed to reviewing and developing Special Education Needs & Disability (SEND) provision as part of Norfolk's Local Offer of support to children, young people and families.

The proposal will also be supported by a funding agreement to support an increased staffing structure.

The SRB places will be allocated through Norfolk County Admissions processes and the base will grow up to full capacity from 1 September 2024.

4. What is a specialist resource base

A Specialist Resource Base (SRB) is a bespoke accommodation base, providing an enabling environment for learners, in a mainstream school, where children are taught by specialist staff.

A panel of professionals would continue to admit pupils to the SRB, not only from the local area, but also across a wider area. Pupils at the SRB not only benefit from smaller classes with favourable pupil-staff ratios, but also benefit from being in a mainstream school and being included in many learning opportunities with their peers, with additional support from specialist staff. In addition, the SRB would have access to further resources and expertise from a Specialist Partner and wider professionals.

The SRB will be managed by the Headteacher and Governors at Falcon Junior School.

5. Why do we want to do this? (evidence of demand)

Norfolk County Council has a statutory duty to;

- ensure a sufficient supply of school places in its area for children of school age
- promote high educational standards, diversity and parental choice
- ensure fair access to educational opportunity
- help fulfil every child's educational potential.

Norfolk County Council does not have enough local specialist special educational needs and disability (SEND) provision in mainstream schools. Our research has identified the SEND need and the location areas. Specialist Resource Bases in mainstream schools enable all children and young people with SEND to get a consistently high-quality education with the right support for their needs in their local area first.

This proposal builds on the 31 specialist resource bases attached to mainstream schools across Norfolk, many established during the Phase 1 SRB programme/ expansion started in 2019, with some still in development. They provide a total of 411 specialist places, across five different SRB specialisms;

- Learning and Cognition (LCN)
- Speech, language and communication (SLCN)
- Social, emotional and mental health (SEMH)
- Autistic Spectrum Condition (ASC)
- Deaf (hearing impaired)

We have identified further priority areas for new or expanded SRBs, as part of Phase 2, including additional intervention bases in Norwich which can be provided by Falcon Junior School.

Norfolk County Council and the Governors of Falcon Junior School feel these changes would benefit children and young people because it;

- supports more students with special education needs and disabilities to be educated and thrive in their local school and community;
- enhances students' progress by effectively meeting their individual complex needs;
- helps facilitate better access to the curriculum and supports students to achieve their potential;
- ensures that needs can be met locally avoiding the need for students to spend unnecessary time travelling to an appropriate school further away. This is better for young people and saves the taxpayer money in transport costs;
- increases the availability of places to meet the needs of students with SEND;

- addresses identified geographical, and age and phase gaps in SRB provision as identified in Norfolk's SEND Strategy;
- supports the sharing of complex need expertise and good practice as part of our school.

6. Objectives, including how the proposal would increase educational standards and parental choice.

Norfolk County Council wants to:

- Enable 8 pupils to benefit from the specialist education and support provided by Falcon Junior School Additional Intervention Base, for Key Stage 2 pupils
- Increase the number of places for children with co-occurring needs in Norwich, as part of the Local Authority's Local First Inclusion programme.

Norfolk County Council's policy is to expand schools that are rated 'Good' or 'Outstanding' by Ofsted. Falcon Junior School was inspected in November 2022 and rated Good.

The cost-effective provision of high quality educational places is central to meeting the County Council's objective of ensuring inclusion and high standards of achievement for Norfolk learners with SEND.

This proposal offers parents access to more specialist resource base places in Norfolk, reducing the travel time for children and young people living locally.

7. Will there be any effect on other schools, academies and educational institutions within the area?

We cannot foresee any impact on any other schools, as this proposal provides additional places which removes the pressure of meeting the needs of pupils in mainstream schools who are currently waiting for additional support.

8. Project costs and an indication of how these will be met, including how long term value for money will be achieved.

The additional intervention base will be located within the site of Falcon Junior School. The project will involve remodelling the former caretaker's bungalow to create an enabling environment for SRB learners in a bespoke accommodation base.

All capital costs for the new purpose-built accommodation will be funded from Norfolk County Council's SEND Improvement Programme, to ensure there is the appropriate accommodation.

Long term value for money will be achieved as there is greater capacity to meet the needs of children with SEND locally.

9. Will this definitely happen?

No. There is a statutory process we must follow to make this type of change to schools.

10. Implementation date and proposed stages

If the proposal is agreed by the local decision maker; the Executive Director of Children's Services, Norfolk County Council, it is intended that the significant change will be implemented from 1 September 2024.

11. Related proposals

There is no other proposal linked to this proposal.

12. How can I make my views known?

Any person may object to, express support for, or make comments on the proposals, within 4 weeks of the publication of the statutory public notice by:

- Sending an email to; schoolreview@norfolk.gov.uk. Please put the school name in the heading of the email.
- Writing to: School Organisation Team, FREEPOST, 1H 2076, Lower Ground Floor, County Hall, Martineau Lane, Norwich, NR1 2BR. You don't need a stamp.

13. What happens next?

The following table sets out the key dates for the consultation and decision making. At any point the proposal may be withdrawn. The dates set out below meet the Department for Education requirements for consultation on school organisation proposals.

School organisation process	Date
Public Notice published	19 June 2023
Statutory consultation (representation stage)	19 June – 14 July 2023
Decision required, no later than	14 October 2023
If approved, SRB starts	1 September 2024
