

Consultation on proposed change of age at St George's Primary & Nursery School, Great Yarmouth

Introduction

The purpose of this document is to discuss the proposed changes to the provision at St George's Primary and Nursery School, Great Yarmouth, by changing the age range from 3 – 11 years to 4 – 11 years, from 1 September 2019.

The published admission number (PAN) and admission arrangements for the main school will remain the same.

The consultation will run for 6 weeks from Monday 25th February – Friday 5th April 2019. Norfolk County Council will consider all comments received during the consultation period. We are consulting with all relevant stakeholders as required by law, when making changes to school age range arrangements.

Why are we proposing this change

The proposed changes at St. Georges Primary & Nursery School are a result of recent changes in early years education by the Department for Education. Many families are now entitled to 30 hours per week of funded early years education, instead of the previous entitlement of 15 hours.

This means parents are looking for more flexibility from nursery providers. Governors at St. Georges are keen to provide more flexibility, but this is proving difficult via the current maintained nursery arrangement. The Governors are proposing to run the nursery for 2 – 4 year olds, via their Community Facility Powers from 1 September 2019.

There will be no major change to the school – both the school and nursery will continue to be governed by the same board and led by the same headteacher.

What are the benefits of this proposal

Norfolk County Council and the governors at St. George's Primary & Nursery School believe this proposal will have the following benefits;

- Offer more flexibility to parents for nursery provision
- Strengthens the sustainability of the early years education offer by St. Georges, by transferring the nursery to be managed via the Community Facility Powers
- There will be no change to the early years education offered to 2 – 4 year olds, which will be provided in the same accommodation.

The earliest this change could happen is 1st September 2019.
