

December 2019

**NOTICE OF DETERMINATION****Proposal to change the category of Worstead CofE VC Primary School**

---

Notice is hereby given that Norfolk County Council **approves with a condition** the above statutory proposal as set out in the public notice to change the category of Worstead CofE VC Primary School, from 1 September 2020 on condition that the school is no longer designated a Category 1 school by Norfolk County Council.

This proposal under section 19 (3) of the Education and Inspections Act 2006 was to make a prescribed alteration to Worstead CofE VC Primary School, Honing Road, Worstead, North Walsham, Norfolk NR28 9RQ to change the category from voluntary controlled to voluntary aided from 1 January 2020.

---

The reasons for this decision are that:

- Norfolk County Council risk rated the school as Category 1 in September 2019.
- The change of implementation date to 1 September 2020 allows the school time to come out of Category 1
- The statutory procedural requirements have been met.
- There was strong support during the informal consultation period and the Diocese of Norwich, as the only response in the statutory period, confirmed their support for the school organisation change.

Signed:

Date:

9<sup>th</sup> December 2019.
