(Langley with Hardley, Various Roads)  
30 mph and 40 mph Speed Limit Consolidation and Variation Orders 2025**

- i. The Norfolk County Council (Langley with Hardley, Various Roads) (30 mph Speed Limit) Consolidation and Variation Order 2025
- ii. The Norfolk County Council (Langley with Hardley / Various Roads) (40 mph Speed Limit) Consolidation and Variation Order 2025

The proposal is to extend the existing 30mph speed restriction on C384 Hardley Road and in so doing revoke the existing 40mph speed limit along C384 Langley Street and C202 Langley Green to improve safety for all users of road (including pedestrians and cyclists) in alignment with Norfolk County Council's Speed Management Strategy.

The proposal to make the Orders is because it appears to the County Council that it is expedient to do so for avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising.

The Norfolk County Council (Langley with Hardley) (30 mph Speed Limit) Order 1997 and The Norfolk County Council (Langley with Hardley, Langley Street and Ferry Road) (40 mph Speed limit) Order 2004 are proposed to be consolidated for clarity and efficient administration of the restrictions. As part of the consolidation the existing 30 mph and 40 mph orders are being updated to reflect current legislation, are being clarified to make them clearer, or are being amended to correct minor errors. The reference of 'vehicles' is being updated to 'motor vehicles' to reflect current legislation.
