

# Norfolk County Council

**Your views on our idea to close  
Mayton Wood Recycling Centre  
and start using the new Norwich  
North Recycling Centre instead**

**Some of the things in this paper  
are not easy to understand.**

**You may need help from someone  
to read it.**

**Council**

Norfolk County Council are responsible for a lot of things in Norfolk.

**Library**

Services such as Libraries, the Fire Service and recycling centres (and lots of other things too!)

To do this, we spend over a billion pounds each year

We must be sure the money we spend matches the money we get in. This is hard to do at the moment.

Things are getting more expensive. The money we get in isn't covering what things now cost.

We need to save money by cutting down what we spend.

We want to hear what you think of one of the ideas we have to save money

Our idea is about **Mayton Wood recycling centre.**

Recycling Centres are places where people can recycle and dispose of some of their household waste

Our idea is to close our **Mayton Wood Recycling Centre**, which is in Little Hautbois, Nr Coltishall

Our idea would save us around £70,000 next year.

If we did close Mayton Wood, there are still other Recycling Centres in the area people can visit. Such as Norwich North and Worstead Recycling Centre

We would like to hear your views on our proposals.
