Your views on Norfolk County Council's Post16 Transport Policy Statement

**Some of the things in this paper
are not easy to understand.**

**You may need help from
someone to read it.**

Bus Ticket

School

Norfolk County Council works with the buses and trains to help students aged 16-18 travel to their place of learning by paying for some of the bus or train fare.

This is called the Post16 Travel Scheme.

We would like to put the price up of the Post16 Travel Scheme by 3%.

Bus Ticket

School

People can pay for travel in a few different ways.

- All of the money at once
- In 3 parts over the year
- In 6 parts over the year
- Or every day when they use the bus or train

Bus Ticket

School

We want to put up the amount people pay by 3%.

This means people would pay £18 extra per year or 10p extra if they pay daily.

If this change happens, the price would change in September 2023.

Students could still find other ways to get help paying for travel, through the bus and trains or from their places of learning.

We would like to hear your views on our proposals.
