

Current road layout

Angel Road/Waterloo Road - change of priority at junction

Proposed road layout

The proposed change in junction priority will make cycle movements between Angel Road and Shipstone Road easier. The project includes additional signage to highlight the yellow pedalway cycle route through the area.

- Proposed Changes:**
1. Removal of existing give way and central island, along with realignment of the carriageway through changes to the kerb line.
 2. New give way, along with realignment of the carriageway through changes to the kerb line.
 3. Raised table for continuous footway.

- Key:**
- New kerbline.
 - New road markings (parking restrictions in the area to remain the same)
 - New area of carriageway
 - Existing carriageway resurfacing
 - New footway
 - New continuous footway
 - Existing tree
 - Existing Beryl Bike docking station
